

Scène libre CKLU Open Stage

Almost everyone in the music business got their start playing or singing at an open mic. Come and check out the new talent at the CKLU Open Stage from noon to 2pm Saturday and Sunday on the Arts Village stage. You'll be able to say "I saw them here first!" To play on the Open Stage just show up at the stage on the day you want to make your debut and sign up with the stage host.

Presque tous les musiciens professionnels ont débuté lors d'une soirée micro-ouvert. Prenez donc le temps d'apprécier nos musiciens amateurs jouant au micro-ouvert CKLU le samedi et le dimanche de midi à 14h sur la scène du Village des arts; vous pourrez ainsi dire que vous les avez découverts. Si vous désirez jouer au micro-ouvert, vous n'avez qu'à vous présenter et vous inscrire auprès de la personne à l'animation.
